

Attention Shoalwater Bay Tribal members who reside on the reservation and received a CPE modem. Due to some over the air updates not working correctly, you will need to bring your CPE modem to the IT office at 10 Eagle Hill Road, Tokeland, WA 98590. We will update your modem for you, as well as request your contact information for future issues that may arise. Below is a picture of the CPE modem that was handed out.

For any questions, concerns, or to schedule a pickup Contact:
